

April 1, 2023

Notice of Organizational Changes

Nissei Corporation (Head Office: Chuo-ku, Tokyo; President: MOURI Akihiro; hereafter “the Company”) hereby announces that the organizational changes below were made effective April 1, 2023.

1. Organizational changes at General Affairs Department

A new Public Relations Group has been established.

Purpose

The Public Relations Group will strive to strengthen dialogue with stakeholders by increasing opportunities to disseminate information and enhancing content in order to be valued appropriately.

2. Renaming of groups within the Electronic Materials Sales Department

(1) The Advanced Equipment and Materials Group has been renamed the Semiconductor Materials & Equipment Group.

(2) The Electronic Materials Group has been renamed the Display Materials & Development Group.

Purpose

Through the renaming, we aim to establish a sales structure that directly reflects the individual strategies of our semiconductor domain and the domain for displays and other developments.

3. Establishment of sales office for the West Japan Business Division

The Kumamoto Sales Office has been established.

Purpose

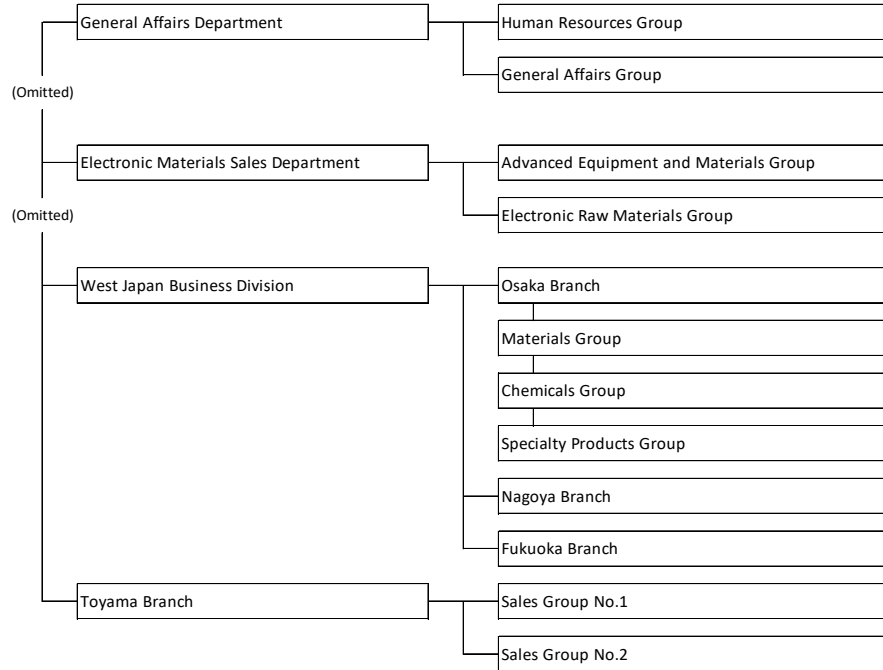

The new office will strengthen strategies in the semiconductor and electronic component domains in western Japan.

The Company will continue to work on building a solid business foundation while keeping a close eye on changes in the business environment.
